

# HINGED DOORS

## THERMALLY IMPROVED SUITE - INLINE FRAME

Hinged doors are available as Open-In or Open-Out, & couple neatly with the Superlite frame to create sidelite or highlite windows

Lever compression locks secure at multiple points, offering peace of mind & superior weather protection

All glass is installed into dual vinyl sided rebates, ensuring vibration free glazing.

'Hakea' handle

Door hardware is available standard in either black or brushed silver finish

'Gidgee' handle

Co-extruded santroprene seals ensure efficient weatherproofing, & resist shrinkage over time

The optional frame closure has a 15 x 3mm slot to accept flashing. When timber reveals are not wanted, a 'frame equaliser' trims off the internal face

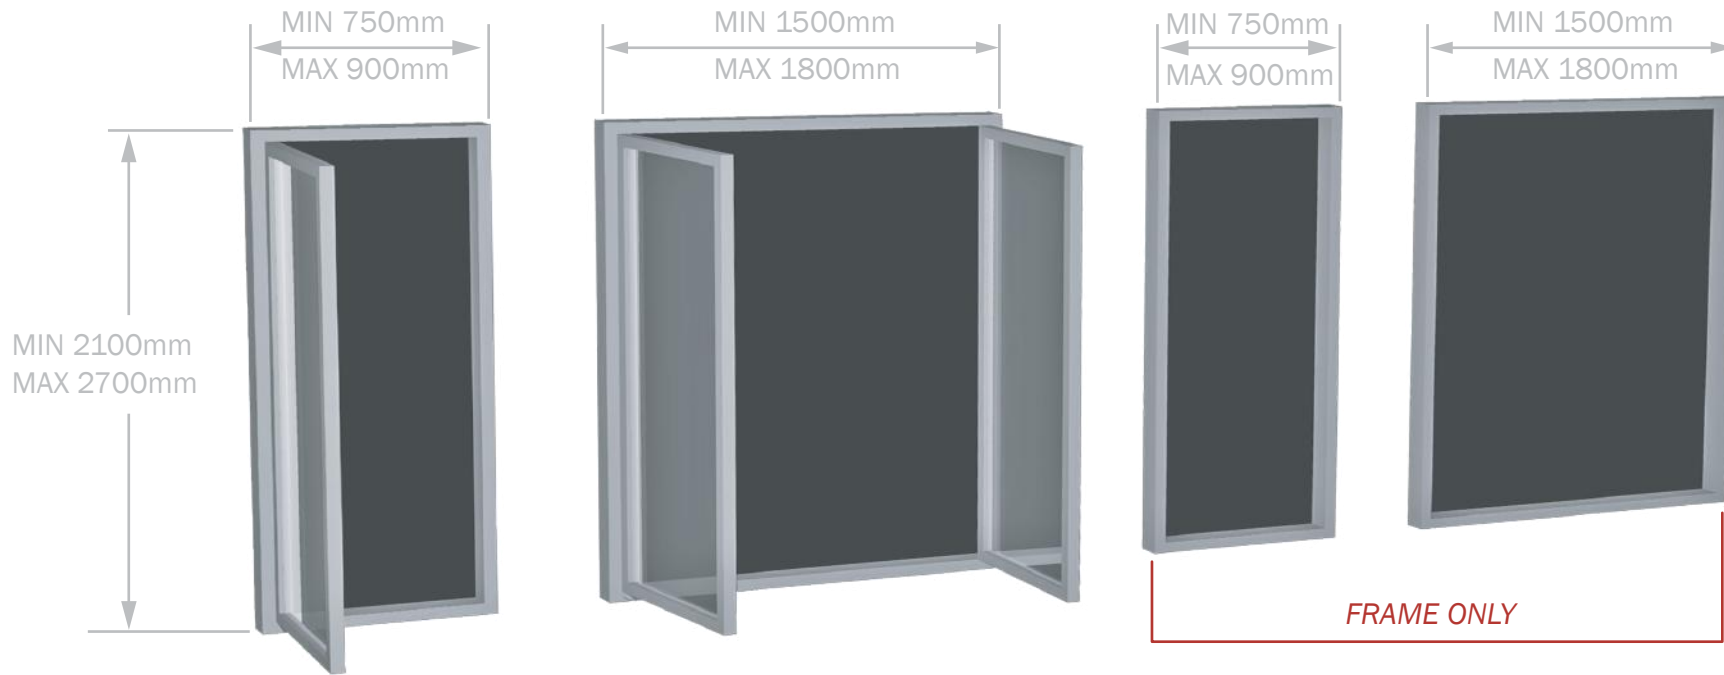

Corners are mitred to enhance the clean aesthetic, whilst all fixings are made from durable stainless steel

The optional sill flap can be easily fitted to the frame after installation
